MMC Wins Best Workplace Practice Award
at Global CSR Summit & Awards 2013

HONG KONG, 7 May, 2013 – Mongolian Mining Corporation (“MMC”, or together with its subsidiaries, the “Group”; SEHK: 975), is pleased to announce that MMC won the Silver “Best Workplace Practice Award” at the Global CSR Summit & Awards 2013.

The Global CSR Summit & Awards 2013 program attracted more than 500 entries from leading corporations in Asia and the rest of the world. Winners were selected across 5 categories, including “Best Environmental Excellence”, “Best Community Program”, “Best Workplace Practices”, “CSR Leadership” and “Product Excellence”.

This year, MMC won the “Best Workplace Practice Award” at the Global CSR Summit & Awards following its showing as a finalist for the “Best Community Program Award” in the previous year, demonstrating growing recognition of the Group’s CSR activities. The Best Workplace Practice Award marks recognition of MMC’s commitment to ensuring safe, healthy and comfortable working and living conditions for its employees. The Group adheres to the most stringent safety practices and aims to create an incident-free environment. In addition to developing a residential town for its employees settling in South Gobi, MMC has established a new school and kindergarten complex in the host community in 2013.

Dr. Battengel Gotov, CEO of MMC, said, “It is highly encouraging for us to see that MMC has been recognized for two consecutive years for its devoted efforts in CSR activities and was selected from the list of strong candidates across the globe. MMC believes that investing in and creating a favorable workplace environment and improving living conditions for our employees and their families and the community in which we operate will bring sustainable growth for our business and for society.”
