

MMC Wins Best Community Program Award at Global CSR Summit & Awards 2019

HONG KONG, 8 April, 2019 – **Mongolian Mining Corporation** (“MMC”, or together with its subsidiaries, the “Group”; SEHK: 975), is pleased to announce that MMC won the GOLD “Best Community Program Award” at the 11th annual Global CSR Summit & Awards out of a pool of over 200 companies nominated.

The Global CSR Summit & Awards program attracts leading corporations in the Asia-Pacific region and the rest of the world with strong performance in corporate social responsibility. The winners were selected across six categories, including “Best Environmental Excellence”, “Best Community Program”, “Excellence in Provision of Literacy and Education”, “Empowerment of Women”, “Best Workplace Practices” and “Product Excellence”.

For the Best Community Program Award, MMC nominated three of its ongoing community development programs in South Gobi, all of them having a particular focus on local economic empowerment and provision of equal employment opportunities for local women.

Dr. Battengel Gotov, CEO of MMC, said, “We are pleased and honored to accept this award recognizing our strong commitment to CSR, especially in the area of long-term sustainability and development of the communities in which we operate. MMC was selected from a list of strong candidates across the globe which we believe is meaningful in realizing the level of our CSR commitment as well as sharing our experience internationally. CSR and community development require collective long-term efforts hence it is highly encouraging to see the results being recognized”.
